TVOC

Dust

Do you know that an average Indian typically spends 24 hours on road in a week where air quality can be 5 times worse than outside?*

Honeywell Move Pure Car Air Purifier

The driving force behind your good health.

Fits perfectly, just about anywhere.

Dashboard

Rear parcel tray

Under your seat

What are the invisible dangers?

- Pollutants such as PM2.5 from external air, TVOC from dashboard and car seat fabrics.
- Unpleasant odors
- Formaldehyde
- Toxic gases (SOx and NOx) from vehicular pollution
- Cigarette smoke
- Pet hair and dander
- Allergic dust

Impacts on human health

Frequent Headaches

Asthma Attacks

Increased Allergy

Respiratory Complication

Why move with Honeywell Move Pure Car Air Purifier?

Honeywell Move Pure Car Air Purifier comes fully equipped with High Grade HEPA filter and double-layer active carbon filter that kills all hidden germs and removes odour, cigarette smoke and other volatile organic compounds. It doesn't just suppress the pollutants and unpleasant odors but cleans the source of the problem.

Easy Installation

Mounting accessories included

Safe to use

Made with flame-retardant material

One Button does it all

Power on/off | Change fan mode | Display filter replacement reminder

Versatile & Powerful In-Car Air Purification

Cleans 3 cubic meter space in 15 minutes

Multi-Layer Filtration

High Grade HEPA Filter removes PM2.5 and fights external pollutants.
Double Layer Active Carbon Filter removes odour, dust, smoke & other fabric pollutants.

Flexible Placement

Long connecting cable lets you place the purifier on the dashboard, at the back or under your seat.
